

Welcome to Literati Bookstore's 2022 Summer Reading Program!

We had so much fun with our BINGO card last year that we thought we would do it again this year. We want our selection of books to be mirrors (ones that reflect your own experience), and windows (one that give you a chance to see into someone else's experience). To play, all you have to do is write the name of the books you read in the appropriate BINGO square. When finished, bring your card to the store. If you BINGO in a straight line, you will receive a reward. If you cover the entire card, you'll get a prize!

Be sure to turn in your BINGO cards by August 26th to be eligible.

(Adults can participate, but they are not eligible for prizes or rewards.)
